MARC AT HIS BIGGEST AND BEST

Contrary to popular opinion, even jaded porn studs like dependable fuck machine Marc Wallace, can still get turned on, just the same as any guy who never gets any pussy at all, to a beautiful, desirable lady, and want her so badly, it hurts.

Merc didn't have to show off with his mouth. Getting up that huge erection was more than enough to impress this lady, but he couldn't help himself. Everyone knows, he loves to eat out.

AN EXCESS OF LUST ..26

She couldn't get over how big it was, and how perfectly well suited it felt to her moist, clinging pussy. "If only every man were so well endowed and amazingly responsive!" thought the horny brunette as she bounced.

She obviously enjoyed flirting with the camera as much as with Marc's enormous hard-on. She was proud for all the world to see the huge prize she had captured: Marc Wallace's mighty wang, and all with her tight, creamy cunt.

Naturally, she was proud of herself; what girl wouldn't be, after getting a veteran porn stud like Hero to shoot a huge load in record time? This chick is real.

Paul was instantly aroused by the lovely girl, whose body felt so smooth and smelled so sweet and womanly. Everything about her was yielding and seductive. Everything invited him to fuck her until both of them were drained.

SCORES
WITH A
BEAUTY**

First she showed him what she could do with her mouth, then he showed her what his own tongue was capable of. But this starstruck stunner was more interested in Paul Bonest's infamous cock.

She gave herself up to the sheer luxury of being taken and used by a hung stud who was fully in control of every angle they adopted and rhythm they humped in.

68 is ultimate when a girl
has got a superstar on the
line; and the line is the
vein that leads down from
his knob to his balls; and
the only thing between
her and it is the length of
her tireless tongue.

TOM'S LUCKY NIGHT

Tom Byron is the sort of actor who is always delighted and excited when his agent calls him with a job. But this was a special treat for Tom: getting to work with voluptuous, red-headed ultra-vixen Lisa de Leeuw!

Tom had to be careful not to give in to his impulse to cum at least a dozen times. Lisa was that sort of woman. Just looking at her, touching, smelling her, was almost enough to make any normal man see all control.

Does she or doesn't she swallow? That's what every man is burning to know. But perhaps our Lisa prefers the liquid tribute that's her due to be sprayed all over her magnificent tits?

Those big, swinging boobs, as cute and freckled as they are, are an asset Lisa's played to the hilt of every hard-on she has ever wrapped her dramatic cleavage around. When a lady has it, she flaunts it, and men cream over it.

AN EXCESS OF LUST

A photograph of a man and a woman in an intimate pose. The woman is nude, facing away from the camera but looking back over her shoulder with a surprised expression. The man is leaning in from the right, kissing her neck. He is wearing a dark jacket over a light-colored shirt. The background is a light-colored, textured wall. The entire image is framed by a thick red border.

Fucking, sucking and being sucked by Lise, even being drained by her, was not enough to sate the appetite of Tom that day. He had to have more pussy. And he knew just where to seek out and find.

His alternating impulses to orally serve, and then firmly fuck her was something she'd not experienced before. He seemed to adore the pussy, as a fetish object in end of itself, yet had no problem with ramming his dick into that hole which he had tenderly licked, as hard as he possibly could!

No connoisseur of hard cock, no true size queen, as this lady obviously was, could grasp such a rod in her soft, little hand without feeling a surge of hard-core pride.

She got it up and then she helped our hero get it off, in every possible way. As far as we're concerned, she's earned the off-camera conclusion of the good, hard fucking Tom's about to give her.

A man and a woman are shown in a close, intimate pose. The man, on the left, is shirtless and has his head tilted down towards the woman. The woman, on the right, has blonde, curly hair and is looking directly at the camera with a surprised or playful expression, her mouth slightly open. She is wearing a blue, patterned strapless top. The background is a solid light blue.

"It's almost a waste and a shame to do anything other than climb on Ron Jeremy's mega-erection. I feel sorry for any lady who does not have one large cock available for her use at all times."

"I can't help acting just like some cockatruck groupie when I'm around Greg Rome. I've been following the progress of his X-rated career and his body building for several hungry years."

GREG ROME'S HORNIEST FAN

"Greg is good with his mouth, but I wanted his cock in me, and to feel his strong body against mine. When you've found a dreamboat with a cock that never lets you down, you tend to mostly hurry through with the mouth stuff."

"A cock like this was meant to be used like this. A woman likes to feel a big dick ramming into her hard, with her man's hands on her waist, and all his powers of concentration focused solely on his cumming."
